

## PROFESSIONAL TRACTOR OIL 422

It is an extra high performance, multi-purpose tractor oil designed to meet the requirements of hydraulic and transmission parts manufacturers. Designed to maximize the performance of agricultural and commercial tractors.

### Features and Benefits

- ✓ Thanks to its high viscosity index, it performs effectively even under very cold weather conditions.
- ✓ It ensures high efficiency and quiet operation of the brake system with its friction modifier additive.
- ✓ With its specially developed formula, it provides a long service life by keeping rust, corrosion and foam formation under control.
- ✓ Thanks to its high thermal and oxidation stability, it prevents deposit formation and increases operating efficiency.
