

KORAL 4T 10W60 SN

MOTORCYCLE OIL

Developed with synthetic oils and new generation additive technology, modern high performance, 4-stroke, with or without integrated gearbox, wet or dry clutch, exhaust harmful gas purification system, requiring a low viscosity level and complying with Euro 2, 3, 4 or 5 standards. It is specially produced for all kinds of high-performance motorcycles, street & road, trail and off-road motorcycles equipped with an engine.

Features and Benefits

- ☑ It provides resistance to the engine warming up and starting easily in cold weather and against thinning in very hot weather, thus preventing any problems in the engine.
- ☑ It keeps the engine clean with the superior dispersant and detergent additives it contains. Clean parts work better and provide high performance.

Technical specifications

TEST	METHOD	VALUES
Kinematic Viscosity (100° C)	ASTM D 445	MIN.23 cSt
Viscosity Index	ASTM D 2270	Min.140
Flash Point	ASTM D 92	Min.225°C
Pour Point	ASTM D97	Max .(-32°C)

Approvals and Specifications

- ◆ API SN/SM/SL/SJ/SH/SG
- ◆ JASO MA2

Storage Information

- ☞ Packaging; It should be stored in covered areas with tightly closed lids.
- ☞ It should not be exposed to the direct effects of solar heat and heat sources.
- ☞ exceed 60°C . It should be stored with a maximum of two pallets on top of each other.
- ☞ For more information, refer to the Material Safety Data Sheet (MSDS).
